- Other good stuff: Eclipse, VHDL, Verilog, SVN, Git

WORK AND PROJECT EXPERIENCE

SECOND GLASS / BOSTON, MA AND SAN FRANCISCO, CA

JUNE 2010-PRESENT

VICE PRESIDENT, TECHNOLOGY

- Conceptualized, designed, and developed mobile and web applications to connect young wine drinkers with wineries
- Lead team through the entire design process from brainstorming and mockups in Balsamiq mockups to detailed technical design to completed application
- Architected web and mobile infrastructure in Python/Django/PostgreSQL on the web side and Appcelerator Titanium for iOS and Java/Android SDK on mobile, creating a site with over 8,000 users and 45,000+ wine reviews
- Designed and wrote an in-house custom ticketing and checkin system in HTML5/JQuery on the front end, used to sell and process over \$250k in revenue in 2011
- Prepared real-time displays and ran Front of House at 1,000+ person wine events around the country

QUICKWARE ENGINEERING AND DESIGN / WALTHAM, MA

SUMMER 2007-JAN 2011

ELECTRICAL ENGINEER

- Designed, implemented, tested, and verified custom logic emulating PDP-11 computers and peripherals and interacting with memory, display, and system bus controllers in VHDL for Virtex-5 FPGAs for deployment in a nuclear power facility
- Created an assembly language for a control panel, an assembly interpreter in Adobe Flash for rapid iteration (yes, really!), then built a hardware device to run that language
- Wrote system and component level documentation
- Presented and defended design decisions to clients and responded to client feedback

FRANKLIN W. OLIN COLLEGE OF ENGINEERING / NEEDHAM, MA

MAY 2008

ALUMNI REPRESENTATIVE, OLIN COLLEGE CLASS OF 2008

- Acted as liaison between alumni and Olin College, assisted in development calls and planning
- Organized strategic planning meetings and bar events for groups of 60-80 Olin Alumni

TEACHING ASSISTANT, PRINCIPLES OF ENGINEERING

- Helped students through the design process of mechatronic systems, including circuit design, embedded C development on PIC microcontrollers, debugging of electronic systems, and creation of design review presentations

VICE PRESIDENT OF CAMPUS LIFE, COUNCIL OF OLIN REPRESENTATIVES (2007-2008)

- Organized budgeting and communication for 58 campus clubs; revamped the budgeting system to be fairer and more consensus-based

ADMISSIONS OFFICE DESIGN BUILD COORDINATOR (2007)

- Lead a team of 22 people in brainstorming, prototyping, and executing an admissions design activity for 180 Olin candidates
